1. What we collect

- Identity: name, email, authentication data (passkeys/TOTP metadata).
- Connected sources (when user authorizes): emails, calendar items, messages, lifelog data, financial transactions (via user-consented APIs like Plaid), task/project data.
- Usage and telemetry: app interactions, execution logs (redacted), device/browser metadata.

2. How we use data

- Provide the EA/automation services, generate tasks/actions, and surface insights.
- Improve service quality and security (anomaly detection, abuse prevention).
- Support and troubleshooting.

3. Legal basis (if applicable)

- Consent (for connected sources and processing).
- Legitimate interest (service operation and security).

4. Sharing

- No selling of personal data.
- Third-party processors only as needed (e.g., cloud hosting, auth provider, vector DB) under DPAs and least privilege.
- Disclosures required by law or to protect rights/safety.

5. Retention & deletion

- Retain only as long as needed for the purpose or legal obligation.
- User-initiated deletion honored; connected-source tokens revoked on request.
- Backups follow same retention and are purged on schedule.

6. Security

- Encryption in transit (TLS 1.2+) and at rest.
- MFA for admin access; RBAC; audit logs for privileged actions.
- Secrets managed securely; periodic security reviews.

7. User rights

- Access, correction, deletion, and export on request (subject to law).
- Revoke access to connected sources at any time.

Privacy Policy (Provisional)

8. Cookies/Tracking

- Minimal functional cookies for session/auth; no third-party ad tracking.

9. Children

- Not directed to children under 16; accounts for minors require guardian consent.

10. Contact

- privacy@jamesbrady.org for privacy requests; security@jamesbrady.org for security reports.
